FUNC BRACKY

With its simple mounting – the attachment fits exactly into the space between two wall studs – this universal wall bracket is a functional alternative for screens of dimension up to 46". It can, furthermore, be locked by a locking pin or padlock for improved personal safety and security from theft. Can be tilted in steps. Suitable for Vesa hole patterns with maximum dimensions 400 x 400 mm and minimum dimensions 100 x 100 mm.
