

SMS PRESENCE MEDIA BOX

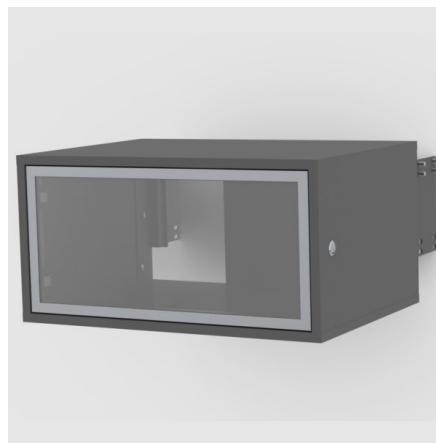

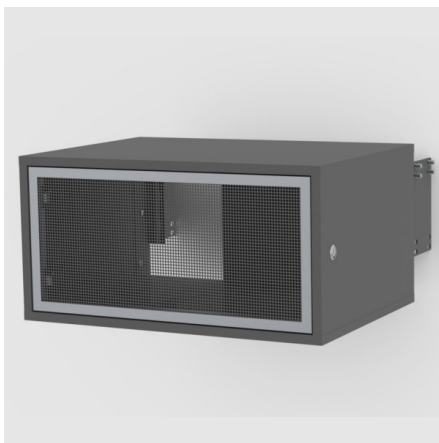

Hidden and locked, but still easy to reach.

A stylish Media Box where you can safely and easily store data or AV equipment. The box is customized for Presence Video Conference and Presence Mobile, both the motorized and fixed versions.

The SMS Presence Media Box gives you lockable storage, it is also dimensioned for e.g. a 19" data rack (optional).

The version with the perforated door is suitable for media equipment that generates a lot of heat and needs extra good air circulation.
