

FUNC BRACKY XL

A universal wall bracket for screens of dimension up to 55". Simple to mount, the hole patterns have been designed such that the bracket fits exactly between two wall studs. Can be tilted in steps, and designed to be locked by a locking pin or padlock for improved personal safety and security from theft. Suitable for Vesa hole patterns with maximum dimensions 800 x 400 mm and minimum dimensions 100 x 100 mm.
